- i. Are any additional functions performed by the Corporation / Council / Nagar Panchayat? - NIL

Education

i. Literacy Rates

Sr. No.	Particulars	2001	2011
1.	Literacy (%)	87%	80%
2.	Female literacy (%)	49%	52%
3.	Male literacy (%)	58%	60%

ii. Types of School and Enrolment

Sr.No.	Particulars	Central Govt.	State Govt.	Pvt. Aided	Pvt. Unaided	Total
1.	Schools	Nil	6	16	30	52
2.	Enrolment	-	-	-	-	-

Sr. No.	Particulars	Remarks
1.	Total Number of Municipal Schools	6
2.	No. of Primary Municipal Schools	1
3.	No. of Secondary Municipal Schools	5
4.	Total Number of Children in all Primary Municipal Schools	258
5.	Total Number of Children in all Secondary Municipal Schools	1543
6.	Total number of Teachers	102
7.	Number of Special Schools.	1
8.	Salary expenditure in Schools	-
9.	Total expenditure on Schools	-

Public Health

1) Important Health Indicators.

Sl.. No.	Health Indices	Remarks
1	Crude Birth Rate	16 %
2	Crude Death Rate	1.2 %
3	Infant Mortality Rate.	0.01 %
4	Maternal Mortality Rate	NIL
5	Growth Rate	60%

6	Couple Protection Rate	60%
7	Total Fertility Rate	60 – 61 %
	% Fully Immunized Children < 1 yr.	100 %

2) Description of Health Facilities.

Sr. No	Classification	Government	Private	Total Nos.
1	No. of Primary Health Centers	0	0	0
2	No. of Urban Health Posts.	3	0	3
3	No. of Dispensaries	0	0	0
4	No. of Community Health Centre.	0	0	0
5	No. of General Hospitals	0	0	0
6	No. of Medical college Hospitals	0	0	0
7	No. of Hospital Beds	20	0	20
8	No of Doctors	3	0	3
9	No. of Nurses	3	0	3
10	Total Expenditure On Health.	9784609	0	9784609
11	Total Revenue from Health.			
12	Total Salary Expenditure on Health	8711234	0	8711234
13	No. of Sonography Centers.	3	0	3
14	Total no. of Blood Banks.	0	0	0

Roads & Bridges

- i. What is the total road length in your Corporation / Council? (Pl give details of changes over the years, 2001 to current date)

2001- Road Length – 100.403 km

2011 - Road Length - 164.734 km

- ii. How many Bridges, Flyovers, and Skywalks were constructed in your city? - 1

Water Supply

Sr No	Particulars	Remarks
1	Sources of water supply (ground / surface) including community based sources (hand pumps and wells)	Ground water
2	What is the number of Water Supply connections in your city?	11235
3	What is the Per Capita Supply of Water in your city?	101 LPCD
4	What is the Extent of Non-revenue Water in your city?	25 LPCD
5	What is the number of water meters installed in your city?	14
6	Is Water supplied 24/7 in your city?	Once in 3 days
7	What is the Efficiency in redressal of customer complaints in your city?	Yes
8	What is the Quality of Water Supplied in your city?	Yes Chlorine water
9	What is the extent of Cost Recovery?	Nil
10	What is the Efficiency in Collection of Water Charges?	97.27 Lakhs
11	What are the Norms adopted for water supply (litter / day)	Rs.3/-
12	What % of metered connections is there in the city?	Nil
13	Continuity of water supply.	Once in 3 days
14	What is the Type of water tariff structure (fully metered / partly metered and partly on dia basis / fully on lump sum annually etc.)	100/month

Rain Water Harvesting

Sr No	Particulars	Remarks
1	Whether RWH has been made Mandatory to new developments	Yes
2.	Whether separate RWH Cell has been formed	No
3.	Whether RWH is implemented in more than 10 Municipal buildings.	Yes
4.	Whether RWH is made mandatory in existing properties	Yes
5.	Whether incentive scheme has been introduced	No
6.	How many properties take advantage of incentive scheme per annum?	NIL
7.	Supporting agency for hydro geological studies if any	No

Solid Waste Management

Sr.no	Particulars	Remarks
1.	City / Town / Urban Area Population 2011 Census	1,64,830

2.	Area of the City in Square Kilometers	20.75 sq.km		
3.	Quantity of MSW Collected / Generated in Tonnes / Day	108 MT		
4.	Waste Generation in Grams per Capita per Day	0.45 Kg		
5.	Length of roads in the City or town or Urban area in Kilometers	130.13 kg		
6.	Status of Compliances of the MSW Rules 2000; Tick mark appropriate column and or write %	Not Done	Partial (%)	Done 100%
	i) Sweeping and maintenance of public spaces 100 % daily			✓
	ii) System of Separate storage at Source of generation implemented ; Biodegradable, Recyclable, Debris & Inert and Green waste		✓	
	iii) Primary Collection of Biodegradable, Recyclable at Door step of Generators , once before 48 hours 100% covered			✓
	iv)Bins on Roads & public Places attended once in 24 hrs 100% (No of Bins =)			✓
	v) Primary Collection of Construction/ Debris and Green Waste operated 100% collection as per programme.			✓
	vi)Transfer / transportation of all components of waste to processing or Disposal sites daily 100%			✓
	vii) Collection with the use of Rules Compliant Equipment and Vehicles for all wastes 100 %			✓
	viii)Processing of Biodegradable and Recycling of Recyclable ; 100%	✓		
	ix)Scientific Disposal at Sanitary Engineered Land Fill of Residue & Rejects daily 100% of Required	✓		
	x)Awareness creation Programmes Run at least 10 meetings / Month		✓	
	xi)Enforcement Organized Daily for Prohibition of Littering, Segregation of Waste and Doorstep Collection in Stipulated types		✓	
7.	Total Manpower Deployed per Day Unskilled & Skilled and Supervisory	Unskilled & Skilled	Supervisory	
	i) Sweeping	132	16	
	ii)Collection & Transportation	118		

	iii)Other Services- Cleaning , processing, Disposal	132	
8.	Cost of SWM services inclusive of Supervision and Overheads in Rs. (Past completed Year)	In Rs./Annum	Rs/Capita/ Annum
	i)Collection and Transportation		-
	ii)Processing & Recycling of Waste		-
	iii)Disposal of Waste in landfill		
	iv)Total cost of SWM Services	623 lakhs	Rs.377.95
9.	Direct Recovery of Cost of SWM from Generators	1.8 lakhs	Rs.1.1

Sanitation

A. Access to Toilet

Sr. No.	Particulars	Remarks
1.	Population of Urban Poor (Nos.)	45730
2.	Percentage of Population in your city with access to toilet facilities.	95%
3.	Existing Individual Toilets Seats (Nos.)	-
4.	Existing Group Toilets Seats (Nos.)	9
5.	Existing Community Toilets Seats (Nos.)	9
6.	Existing Public Toilets Seats (Nos.)	8
7.	Open Defecation Spots (Nos.)	-
8.	Number of Community and Public Toilets seats requiring retrofitting.	11
9.	Additional Seats required for making the city Open Defecation Free (Nos.)	-
10.	Number of Seats in Community and Public Toilets for - a) Men b) Women c) Children d) Disable	44 44 16
11.	Amount of Taxes / Charges collected for Use of Toilets.	

B. Sewerage, Sewage Treatment & Disposal:

Sr. No.	Particulars	Remarks
1.	Number of Septic Tanks in your city.	29500
2.	Mode of disposal of effluent from septic tank.	Nil
3.	Method and frequency of slogging of septic tank.	Engaging Private operator to remove the slogging periodically

4.	Area covered under sewerage.	UGSS project is in progress
5.	Quantity of Sewerage Generator (MLD)	
6.	Quantity of Sewerage Treated (MLD)	
7.	Quantity of "Sewage Reuse" including agriculture (MLD)	
8.	Quality of Sewage Treatment effluent as per standards	
9.	Amount of Taxes / Charges collected for Sewerage	
10.	Operation and Maintenance Staff for Sewerage	
11.	Cost for Operation and Maintenance for Sewerage	

Fire Brigade:

Sr.No.	Particulars	Remarks
1.	Number of Fire Brigades (FB) Stations	-
2.	Average Distance between FB Stations	-
3.	Average Population per Fire Station.	-
4.	Number of Distress /Major calls received per month per Fire Stations.	-
5.	No. of fire hydrants per sq kms	-
6.	Average distance between the fire hydrants	-
7.	No. of Fire Engines	-
8.	Total Number of equipments.	-

Street Lighting

Sr.No.	Particulars	Remarks
1.	Total Road Length	164.734 km
2.	No. of Street Lights	6521
3.	Kind of Energy Saving Devices and Mechanism.	2x24 = 48 T5model 4x24 = 96 T5model 40 W LED
4.	Use of Solar Energy / New Solar Panel (if any).	No
5.	Total expenditure (only for street lighting department).	149.00 Lakh / per year

Barrier Free City:

Have you incorporated barrier free city norms in your building byelaws? -No

Green Building Norms:

Sr. No.	Particulars	Remarks
1.	Have you incorporated green building norms in your building bye laws?	No.

Colour Code Rating: (Please tick✓)

What is the Rating of your city?

No.	Category	Description	(Please tick✓)
a.	Red	Cities on the brink of public health and environmental "emergency" and needing immediate remedial action < 33	
b.	Black	Needing considerable improvements – 34-66.	
c.	Blue	Recovering but still diseased – 67-90.	
d.	Green	Healthy and City - 91-100.	✓

City Sanitation Plan (CSP)

Sr. No.	Particular	Remarks
1.	Has your city prepared a city sanitation plan?	Yes .

Environment Status Report

Sr. No.	Particulars	Remarks
1	Has this city prepared the Environmental Status Report	Yes.

Funds of Municipalities:

Sr. No.	Particulars	Remarks
1	Have your city corporation / council approached capital market to raise funds?	Yes .
2.	Has the Corporation / Council been credit rated?	No.

State Finance Commission:

Sr. No.	Particulars	Remarks
1	What were the recommendations given by this city to the SFC?	Yes.
2.	What were the decisions taken by the SFC on the recommendations of the city?	Yes. Fund Allocated

3.	Did the SFC make recommendations to allocate funds to this city? If yes, then what was the magnitude of funds?	Yes. Salary to the staff , Pension contribution , Repayment of Loan
4.	What amounts were actually disbursed to the city?	Yes . Fully utilised.

Audit of Accounts:

Sr. No.	Particulars	Remarks
1.	In which year were the accounts of your corporation / council last audited?	2008-2009
2.	Has the city adopted double entry accounting system?	Yes .

Slum Settlement Level:

Sr. No.	Particulars	Remarks
1.	Status of slum settlements (1: Notified slum, 2: Non-notified slum)	Notified Slum - 17 Non-notified Slum - 7 --- 24 ---
2.	Status of land ownership	Private land / Govt. land
3.	Status of land tenure	Primary Zone
4.	Approximate Area of Slum Settlement in sqmt.	280.1035 hectare Residential
5.	Population in the Slum Settlements	48031 Nos.
6.	Number of households having individual taps / connections.	3740
7.	Number of household dependent on group water connections.	372
8.	Number of households dependent on public / community stands post.	4833
9.	Average distance travel to public / community stand posts.	0.5 km
10.	Number of hours of water supply in a day.	Twice in a week

11.	Other Source of water supply	Lorry – Water supply
12.	Connection cost of individual water supply in slums.	Rs.3000/-
	Sanitation and Sewerage	
13.	Is settlement connected to underground sewerage network?	Under Progress
	Toilets	
14	Number of households with individual toilets	7876
15	Number of toilets connected to sewerage network.	Progress
16	Number of toilets connected to septic tanks	7876
17	Number of toilets connected to soak pits	-
18	Number of toilets connected to open drain	-
19	Number of toilets connected to service latrines.	-
20	Number of toilets which are not connected to any network or disposal system.	-
	Community level sanitation facilities.	
21	Number of community toilet blocks.	9
22	Number of community toilet blocks connected to sewerage network.	-
23	Number of community toilet blocks connected to septic tanks.	-
24	Number of community toilet blocks connected to soak pits.	-
25	Total Number of seats in community toilet blocks	110
26	Number of households that use community toilet.	2248
27	Who manage community toilets?	ULB & SHG
28	Frequency of cleaning of community toilets.	Daily
29	Number of pay and use toilet blocks.	2
30	Total number of seats in pays and use toilets.	20
31	Total number of functional seats in pays and use toilet block.	20
32	Number of households that use pay and use toilets.	
33	Special toilets seats (functional) for differently abled population and children.	-
34	Estimated number of persons that defecate in the open.	-
35	Number of open defecation sites in proximity to slums.	-
36	Location of open defecation sites?	-
37	Average distance travel to reach open defecation site (for Man).	-
38	Solid Waste Management	
39	Number of households covered by door to door collection of solid waste.	32,966
40	Service provider for door to door collection of solid waste in slum settlements.	Municipality in West The Walajapet Agro services in East

	Storm Water Drainage	
41	Is the Slum settlement connected to the storm water drainage network?	Integrated SWD Scheme DPR preparation under progress
42	Is the slum settlement prone to flooding incidents?	Nil
	Slum Redevelopment	
43	Which approach is adopted for slum redevelopment?	BSUP Scheme Progress
44	Total number of beneficiary HHs.	10664
	Occupation Status	
45	Occupation types of majority of HHs	Daily wages
	ULB Level	
46	What is the listing / notification process for slums? Year of notification for Slums of ULB.	**
47	What is the delisting / identification process for slums?	*
